Dear Mr. Whyrick:

Huckabee For President, Inc. (FEC ID# C00431809) is in receipt of your Request for Additional Information dated July 3, 2008, referencing our April Monthly Report (3/1/08 – 3/31/08) (hereafter referred to as “RFAI”). You have requested additional information to clarify issues regarding two items.

Item 1

The two contributions from “Marshall Cooper” cited in the RFAI are contributions from two different individuals who happen to share the same name.

- On December 31, 2007, the Committee received a contribution of \$2,000 from Marshall Cooper of 35 Anderson Road, Greenwich, CT 06830. Mr. Cooper is a self-employed entrepreneur. See January 31, 2008 Year End Report, Amended 04/07/2008, page 535, Schedule A, Entry A, attached.
- On March 5, 2008, the Committee received a contribution of \$1,000 from Marshall Cooper of 445 Viking Drive, Suite 220, Virginia Beach, VA 23452. Mr. Cooper is a marketing director for an entity called Greenhaven. See April 2008 Monthly Report, Amended 05/20/08, page 56, Schedule A, Entry B, attached.

Upon receipt of the above mentioned contribution on March 5, 2008, the Committee took the necessary steps to verify that these were, in fact, two different individuals.

Item 2

All contributions received by the Committee after the date on which Governor Huckabee announced the end of his campaign, *i.e.*, March 4, 2008, have been used to retire the campaign’s net debts outstanding, in strict accordance with 11 C.F.R. 110.1(b)(3)(ii). Contributors were notified that their contributions would be used to retire the Committee’s debt.
